Came in with a lot of energy, carrying a big smile following his conversation with you-know-who. As soon as he stepped in the door I realized I was in trouble. Next time, do you think I could be the first one he talks to – particularly if that woman “Colleen” is involved... Just too much good there to measure up to, if you know what I mean :-)

Great kid, and (thinking beyond the setup), I thoroughly enjoyed our conversation. Look forward to hearing where he goes from here...

Best to you, Number One Publicist! (You too, Colleen!)
